Mr. J. F. Johnson,
Superintendent of Schools,
Rockwell, Iowa.

Dear Superintendent Johnson:

I have just returned after a very pleasant visit with you and your fellow coaches at Boone, Iowa. I acknowledge your order for a copy of my text, "Better Basketball", and note that the school is to be billed for the book. I am enclosing a statement, and trust that you will see that it reaches the proper person.

I would like to know if you would like any special autograph, such as "remembering the pleasantries of the Iowa High School Athletic Association Coaching School at Boone, Iowa, on August 15-19", and so forth. Or would you want me to autograph it to the school, or what? If you have any special preference, let me know. If not, I will just make a short introduction with the autograph. If you have any special feature I will be glad to follow that. If you do not want to write a letter just put a footnote at the end of this letter and mail it to me.

Again remembering with very great pleasure our fine association, and wishing you success for the coming year, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
