Dear Dr. Allen:

I appreciate very much your giving us a choice of autographs. I personally, like the one suggested in your letter very much.

I prefer to have it autographed as my personal copy rather than that of the school.

Thank you.

Sincerely

Cecil W. Richards, Coach

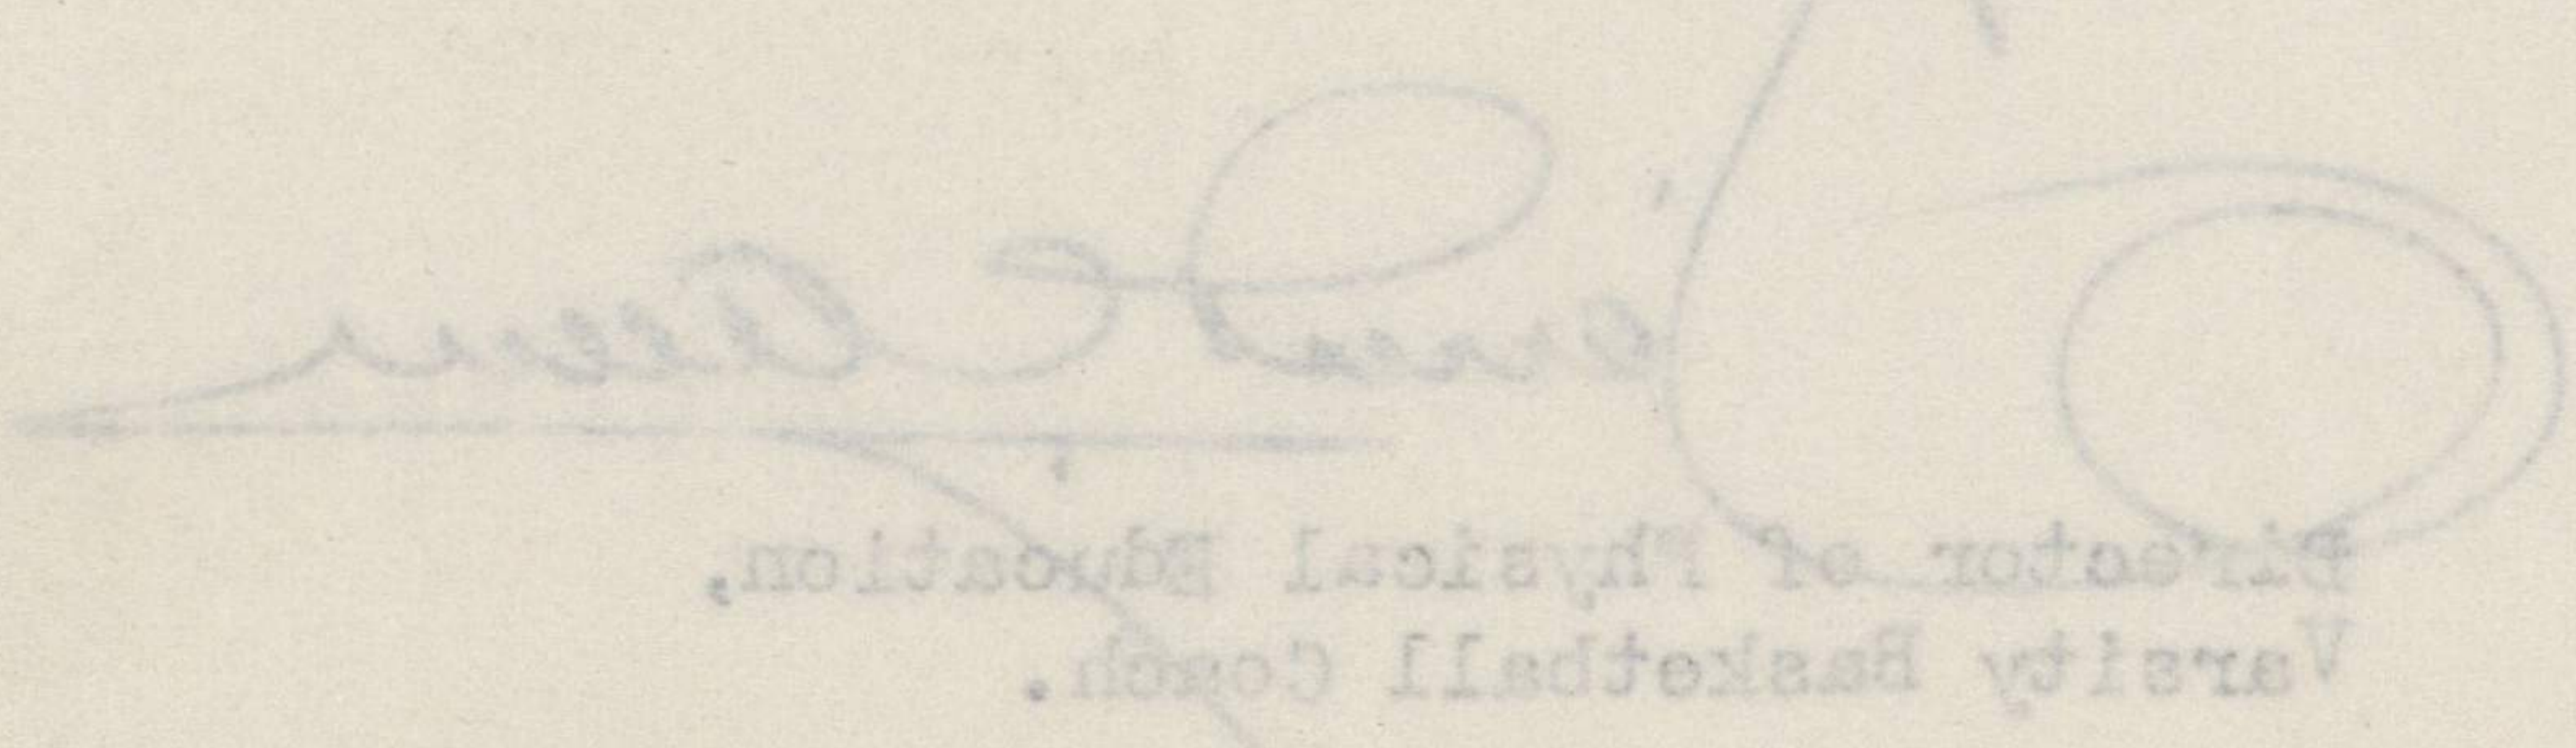

Hawarden High School

Hawarden, Iowa

I would like to know if you would like any special autograph, such as "remembering the pleasant times of the Iowa High School Athletic Association Coaching School at Boone, Iowa, on August 18-19", and so forth. Or would you want me to autograph it to the school, or what? If you have any special preference, let me know. If not, I will just make a short introduction with the autograph. If you have any special feature I will be glad to follow that. If you do not want to write a letter just put a footnote at the end of this letter and mail it to me, and if I do not hear from you in a week I will autograph the book with my own introduction and mail the same to you.

Again remembering with very great pleasure our fine association, and wishing you success for the coming year, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
