Dear Dr. Allen:

I have attended your Lectures at the Iowa High School Coaching School at Boone Iowa this year. I enjoyed it very much and received a world of information. I have tried to secure a Goal-Hi but to no avail. Consequently I had a blacksmith make one for me. I am unfamiliar with the game and I would appreciate it very much if you would send me a set of directions as to how to play the game. Also send me those charts which you suggested regarding the coaching of basketball.

Sincerely Yours,
