

SOUTHWEST MISSOURI  
STATE TEACHERS COLLEGE  
SPRINGFIELD

ROY ELLIS, PRESIDENT

Watson is interested in agriculture & Geo  
Edwards has certainly been on his trail.

Watson needs considerable work but potentially  
he really has the makings of a real fayer.

I plan to take Mrs. Mac & go to the meeting  
in Chicago. I believe the dates are the 26<sup>th</sup>  
27<sup>th</sup> & 28<sup>th</sup>. Is that right?

I must close as I have a class.

Sincerely yours

Andy McDonald
