Dear Doc:-

When I returned home from Kansas City last week, I found your letter concerning Mans Stubeck.

I have already sent word to M. Anderson to please give Stubeck every consideration if he isn't interested in one of our boys.

It so happens that M. R. W. Bel Anderson is a member of our Board of regents at present. Formerly a student and football player here.

I would say however that the position is wide open as he has only taken one of our boys in three former openings.

I know of Stubeck and his fine work & I assure you I will be only too glad to ^{do} anything I can for him.

Kindly let me know what you would like for me to do.

As to Watson, I have hopes of getting him & should stand a chance as his coach is one of my former players. Incidentally one of my former boys won the state championship in Class A at St. Joseph with his Joplin team.
