

*Everything* that will help a coach develop

good players  
and a winning  
team is given  
in the new book

# BASKETBALL METHODS *By*

**JOHN W. BUNN**

*Here you will find full and specific  
information on:—*

developing skill, swiftness, and special techniques in the individual player

planning and perfecting team plays that *work*—both offensive and defensive

and on all the many details of good coaching from choosing players and making up practice programs to scouting other teams.
