Dear Phog:

We would be able to handle a game any night excepting that of a Saturday after the 10th of December.

It certainly will be appreciated if a game can be arranged. Any expenses that you incur in obtaining the same, kindly inform me and I will remit you at once.

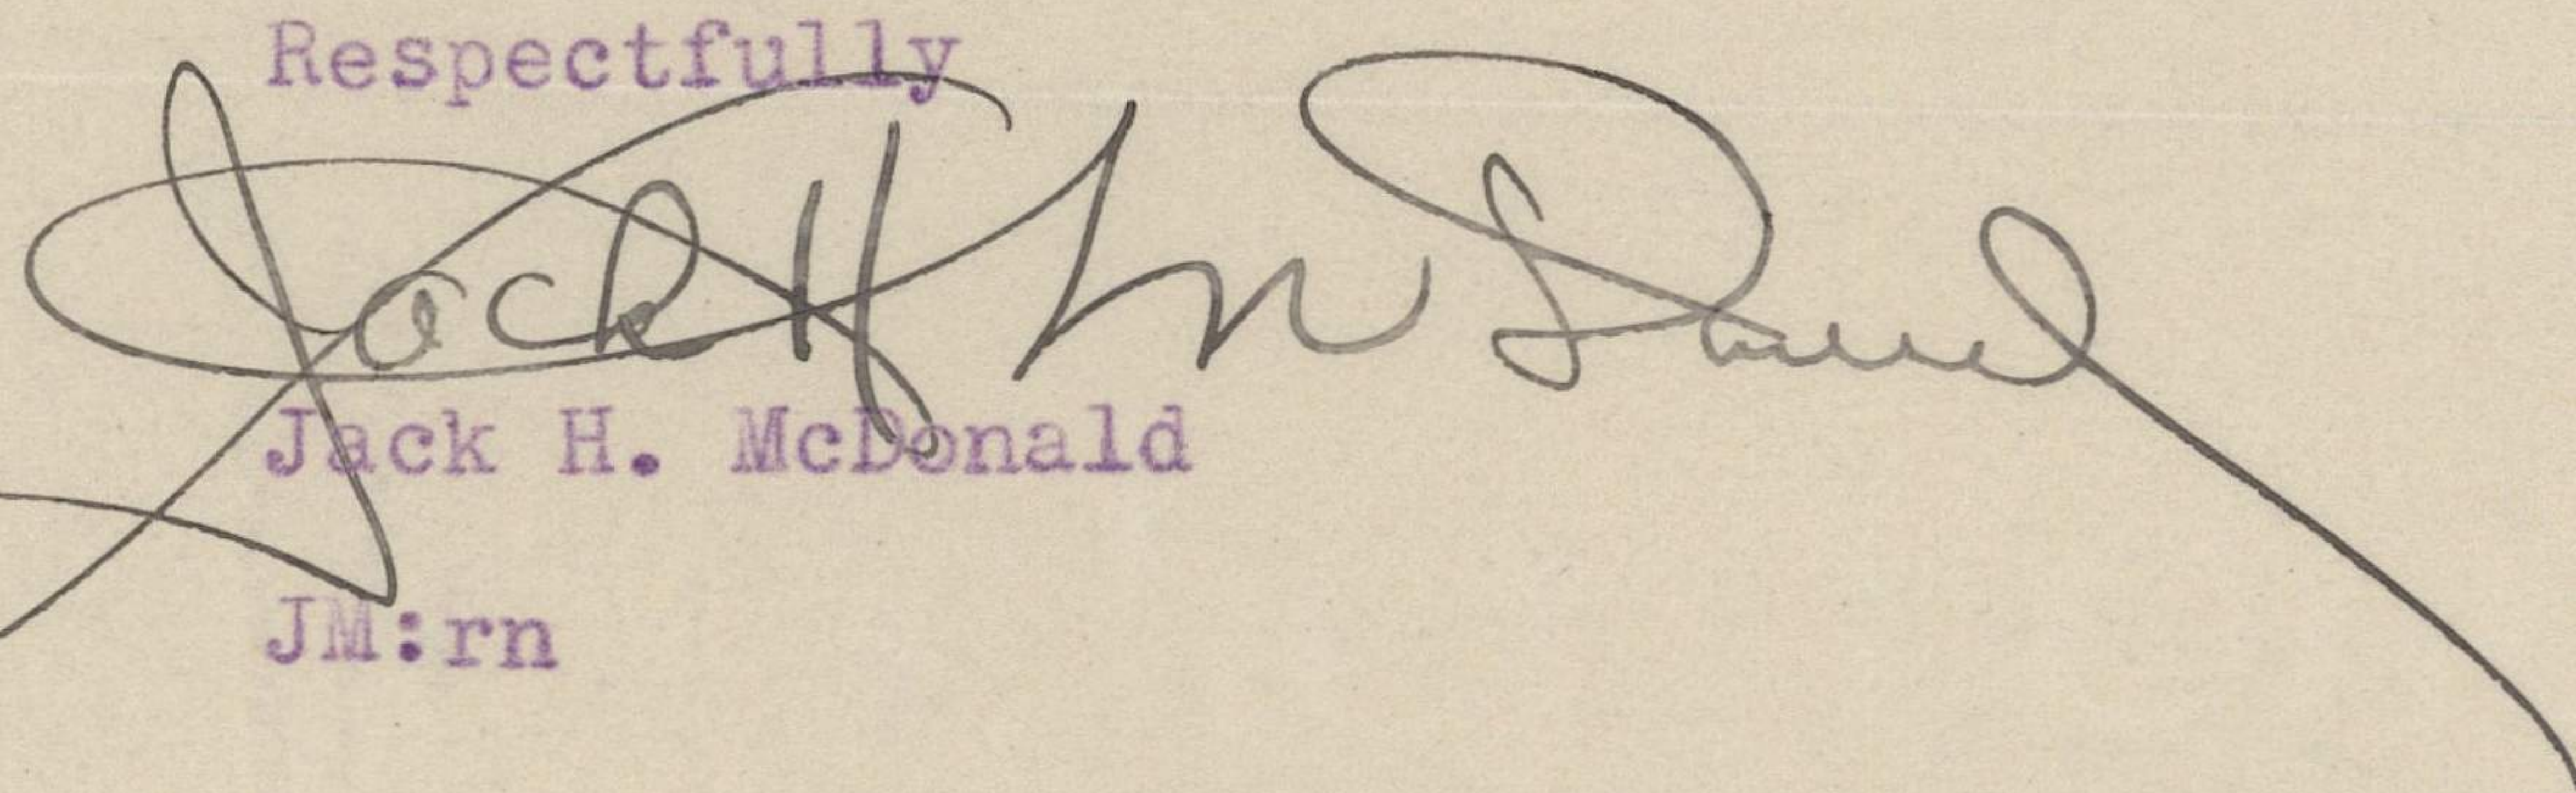

Last year, we paid \$100.00 per club. We would like to obtain a team for around this figure, if possible.

We do not attempt to get rich in one night but our object is to promote basket ball and give the local fans good entertainment.

Kindly advise me of any further details.

I remain,

Respectfully

Jack H. McDonald
