Mr. Forest C. Allen
Univ. of Kansas.

Dear Sir:

I want to ask you for the status of junior college graduates and transfers in the Big Six Conference. As I understand the situation there was no official change made on this question by your conference this spring. Is this true?

Specifically, how many years of competition would a boy have left at K.U. after one year of competition here at Fort Scott? Also how many after 2 years here? I know the Freshman rule would still apply, unless your conference has changed its policy. I have in mind two outstanding boys who are graduating from High School at the age of 16 and they want to go to K.U. later but would like to attend Fort
