

Do give my best to Mrs. Hutton
and to Mrs. Webster. And of course
a greeting to Mrs. Allen. Letters
have been few and far between
for me this summer so I have
to depend on the ~~shortness~~ ^{shortfulness}
each recipient to pass on whatever
I manage to get down in his
letter.

If the Allens will be away
when we come thru Lawrence
then of course will be expecting
a visit the very first time
any of them hit New York again.

Best wishes to you and
greetings to all the department,
E. Gabriel D. MacCurdy
