Mr. Virgil McKaig,

Eldorado, Kansas.

Dear Mr. McKaig:

Professor E. R. Elbel, of our Department of Physical Education, tells me that you are interested in our department.

I am enclosing the four-year curriculum in Physical Education, and am asking the Registrar's Office to send you the latest catalog of the University. In this catalog you will find a description of the courses listed on the enclosed mimeographed sheets.

If you have any questions about the Department of Physical Education, I shall be glad to hear from you.

Sincerely yours,

Director of Physical Education.
