

November 10, 1937.

Mr. Alston McCarty,
McCarty-Sherman Dealers,
Denver, Colorado.

Dear Alston:

Thank you for your good letter giving me the information that I asked for. I can be thankful, also, that Poss Parsons will not do any more basketball writing. I have refrained from using adjectives.

I noticed what you said regarding "Whizzer" White, and I certainly agree with you that he is one of the best in the U.S.A.

Alston, if a game between Kansas and Colorado would be played it would be necessary for the Big Six faculty representative, who happens to be Professor W. W. Davis, to petition the conference for an additional game and to secure permission to play.

Professor Davis is head of the History Department, and chairman of our Athletic Board. He was here when you were in school. He came in 1912. Davis, Patterson, Boynton, Johnson, and that group I am sure you remember. He is a swell gentleman.

I suggest that you write to him and make the approach just as if you hadn't written me. He will treat your communication with every courtesy and consideration.

I am sorry that you will not be able to get back on Thanksgiving Day, as we will have a great turnout here.

My kindest regards to your good wife and family.

Very sincerely yours,

FCA:AH

Director of Physical Education.
