Mr. F. C. Allen

K. C.

Lawrence, Kans.

Dear Coach:

Coach, I'm in charge of the basket ball games of the K. C. Mo. Interscholastic League, and our opening night we would like to have an added attraction.

The games open Fri. Jan. 7<sup>th</sup> '38 - with games at 7-8 + 9<sup>PM</sup> x

How much would it cost us to have Coach F. C. Allen come to our new auditorium in K. C. that night and talk to us a few minutes between the first & second games? We would be delighted to have you, and I'm sure that our teams especially would like to meet you.

Best wishes for a successful season.
