ROY ELLIS, PRESIDENT

the time and effort it has taken on the part of yourself and family. But I trust & know it has proved a source of great satisfaction to you all.

We are expecting work to start on our new \$178,000 Health and Recreation Building about April 1st. Our playing floor and arena will also serve as an auditorium. We are debating the best type of goals & backstop to use. Ed Hess says, "you would appreciate any information and suggestions you could give us. Kindly let us hear from you at your earliest convenience. Best regards to yourself and family
