Dear Leonard:

I have your favor of the 18th instant. We are opening our conference season with Oklahoma early the following week and I am not so sure that a January 4th date would be the wisest thing for us to undertake.

We plan to carry a party of fifteen men, and figuring \$5.00 a day that would be \$75.00 - \$150.00 additional by staying over. It is my opinion that two games are certainly worth \$1,000. Our games in this conference easily net us as much for one game alone. We played the Oklahoma Aggies at Stillwater last year and our fifty per cent option amounted to better than \$1,000. We often get \$800 and \$600 for a lot of our conference games. Our conference guarantee is \$400 with an option of fifty per cent. Reasoning on that basis of \$600 for one game, it seems that an additional \$400 would not be out of question.

We were limited to 20 games last year, but we have it on very definite authority they are going to cut our limit to 18 games this year. For that reason I am choosing the most lucrative games and we have quite a number of very good offers, so you can see why I have a desire to choose the more lucrative games. These games, if we close them with you, will be the last on our 18 game list. We are playing the University of Texas two games, Oklahoma Aggies two, and we are planning a trip east which may entail three games, so it is between the eastern game and this second game with you that we are debating.

Let me have a reply at your early convenience.

very cordially yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.

Dear Dr. Allen:

Happy to hear from you. I am certain that the proposed game will be quite an attraction. The financial arrangements are satisfactory.

I have another thought Doctor which I believe will merit consideration. Santa Clara is playing DePaul on the night of Jan. 2. My plan would be to play two double headers, Santa Clara against DePaul-- and Kansas versus Loyola on Thursday, Jan. 2, and then change opponents on Saturday, Jan. 4. I can give you a guarantee of \$850.00. for these two games and I know that you can appreciate the added revenue.

Please consider this suggestion and advise me at your earliest convenience.

Sincerely,

Dear Mr. Morse:

I have your letter of April first giving me your possible dates that you could play. It seems as if there is only one date that we could take in Chicago, and that would be January 2nd.

If Leonard Sachs can handle that date and can meet us on the same financial terms as last year, I believe we can arrange the game.

Dear Dr. Allen:

I have been communicating with your publicity department regarding certain material which we need in Chicago for our publicity campaign. I would appreciate your assistance in this matter.

We would like to have as many pictures as possible as quickly as possible as we are planning a Sunday rotogravure lay-out. We are particularly interested in a picture of your captain and also interested in action shots.

In addition to pictures, we need publicity material regarding your team and if possible the team roster.

For your convenience we have made arrangements to constitute the Allerton Hotel here in Chicago as the basketball headquarters. The hotel has arranged a special rate of \$1.50 per boy, two boys in a room, private bath, etc. and the coach and trainer will be supplied with a very lovely suite free of charge. I would suggest that if you have no other hotel in mind that you contact the Allerton Hotel and arrange for your reservations.

As usual, the HOME TEAM WILL WEAR WHITE, so in sending your roster, please include therein the color of the uniform you will wear together with the numbers of the players, etc.

Thanking you for your cooperation, I remain

Dear Doc:

I am enclosing herein our contracts for our game in Chicago. I would appreciate your consideration of the following problems that I am faced with and which you, I am sure, will understand inasmuch as you have had a great deal of experience in the intricacies of arranging schedules.

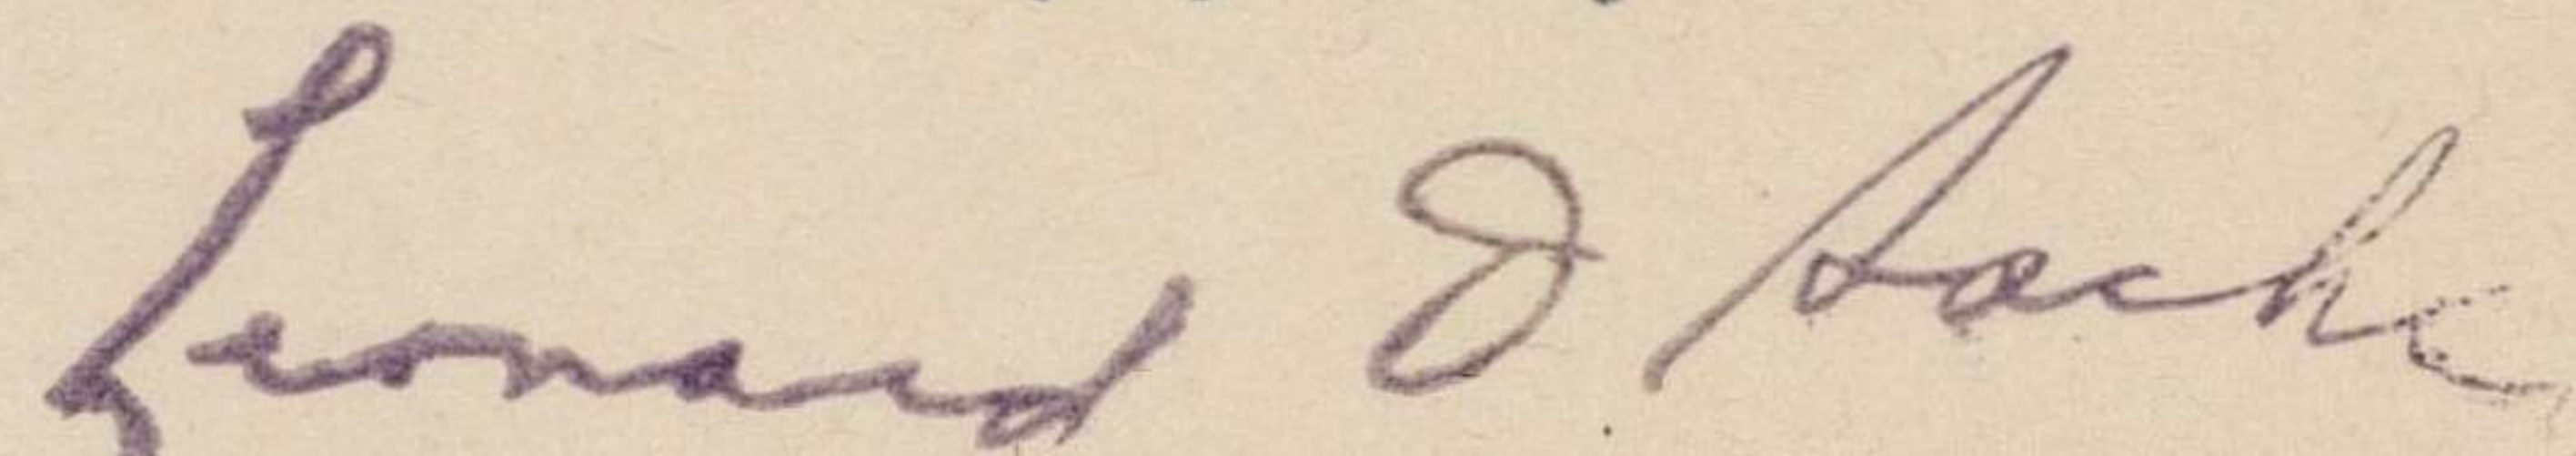

I am very anxious to play both Kansas University and Colorado on this year's schedule. I have just received a wire from Colorado to the effect that they are coming through on their way ~~fr~~ om New York and could play a game on January 2 if I could accomodate them. I would like to play them but not at the expense of losing the game with Kansas. If, however, you could play on some other night, it would then be possible for me to obtain both games for my schedule. If you can't play on any other night, merely fill in the date of January 2, keep one copy for yourself and return two executed by you to my office.

If you can play on any of the following dates: January 8, January 15, and February 11, I would appreciate it if you would fill in that date and keep one copy for yourself and return two to my office. In other words, I am leaving it entirely up to you. I realize that you will play ball with me if it is at all possible.

Please bear in mind that Kansas is more important to me than Colorado and the friendship of Dr. Allen certainly one that I value very highly.

With best wishes, I remain

Sincerely yours,

Dear John:

Thank you very much for your good letter of the 15th instant. I have written Sachs and I appreciate your kindness in aiding me in the selection of officials.

Say, by the way, Johnny, I see that Northwestern plays Minnesota on the 2nd of November. I am wondering if you can arrange to get me two good seats. I am afraid that if I write my good friend, Tug Wilson, that I would not get such good seats. However, I could write Dutch or Lynn, but you tell me the best way to get them.

If you and Mrs. Glenn cannot go I would like to get a couple of seats for Mrs. Allen and myself. I think Jane has her ticket, but I do not want to miss that game. It should be a thriller.

Please write me at an early date. I hope you and Mrs. Glenn can attend the game.

In reply to your letter concerning the officials for the Loyola-Kansas game, I am pleased to submit the following information.

Clarno and Craig appear to be the best combination of those listed. As an alternate, I would recommend Enright, as he worked several outstanding games last year and I am sure he will do a good job in case either of the other two would not be able to work.

Confidentially, I had Dutch Lonborg confirm my judgment on your list and he endorses the three names above.

Will write you in a few days concerning our getting together for a football game next month.

Dear John:

I am sending you a confidential note telling you that John got through his Foods and Nutrition with a C-, but he failed in his first examination in English History. I have now engaged a tutor for him and he cannot afford to fail on this final examination.

Burt DeGroot, who has his Masters Degree with a history major from Stanford, is the young man tutoring him. Burt is in our Physical Education Department and is a brother of Dudley DeGroot, who refereed the University of Southern California and Rice games for us last year. Dudley is now Athletic Director in Rochester, New York. I will let you know how John is getting along in his studies. I am very hopeful that he will make it and I believe he will if Burt can get him lined up.

There is another item that I would like to have you favor me with, and that is to pass on the following officials. Leonard D. Sachs, Director of Basketball, Loyola University, has written me suggesting the following:

"In reply to your letter of the 27th instant, I am submitting the following list of officials whom I recommend.

"However they may be busy on this date.

"Mr. Lyle Clarno----Illinois
Mr. N. Messinger---New York University
Mr. S. Pecorara----Dallas University
Mr. J. Enright-----Michigan
Mr. J. Kupcinet----North Dakota
Mr. M. Farber-----Wisconsin
Mr. I. Craig-----Illinois Wesleyan
Mr. Hoas-----Purdue"

Will you kindly tell me what you think of them?

Dear Leonard:

In reply to your letter of the 22nd regarding a trip for next year, beg to state that our conference cut our games allowable from twenty to eighteen. Therefore, it would be impossible to play you on your trip in February, 1941.

Further than this, I am afraid that since you have not had word regarding the date of January 4th, that we had just better hold to our date on January 2, and forget about the January 4th date. I find that we have made certain commitments for this game, and since it is not closed we had better not contract for it.

Won't you write me confirming this before I go further?
