Mr. John H. Glenn  
104 State Street  
Beardstown, Illinois

Dear John:

Thank you very much for your good letter of the 15th instant. I have written Sachs and I appreciate your kindness in aiding me in the selection of officials.

Say, by the way, Johnny, I see that Northwestern plays Minnesota on the 2nd of November. I am wondering if you can arrange to get me two good seats. I am afraid that if I write my good friend, Tug Wilson, that I would not get such good seats. However, I could write Dutch or Lynn, but you tell me the best way to get them.

If you and Mrs. Glenn cannot go I would like to get a couple of seats for Mrs. Allen and myself. I think Jane has her ticket, but I do not want to miss that game. It should be a thriller.

Please write me at an early date. I hope you and Mrs. Glenn can attend the game.

Sincerely yours,

Director of Physical Education and Recreation
