Mr. Leonard D. Sachs,

Loyola University,
6525 Sheridan Road,
Chicago, Illinois.

Dear Leonard:

Your favor of the 9th instant is acknowledged.

It will be all right for January 2nd, and if you desire to hold the other matter in abeyance until you find out whether you can get January 4th it will be agreeable to us. Suppose we say that we will wait ten days, and in the meantime we will consider January 2nd closed.

You will remember that I told you we were opening our conference season with Oklahoma at Norman on January 8th. I do not get your reference to February 5 and February 11. You were wanting us on January 2nd and January 4th. I do not get it regarding the single date.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
