Dear Red:

I will be glad to look at these shirts and see whether we can use them or not. When they arrive I will turn them over to Dean and have him check up on sizes and numbers, and if we can use them we will send a couple of them back to have different numbers on them.

If they are not exactly like the equipment we have then of course you understand we cannot use them.

Ernie is to arrive on the job this morning, and with his enthusiasm and energy I am sure that he will make a definite place for himself in the recently rather unaccelerated department of the directorship.

With all good wishes to you and yours, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
