Dear Jim:

Thank you for your kind letter of August 31 advising me that it is impossible for you to fill our order for two #N288 Turf Bowling sets. At the present time I do not think we care to substitute the Rob-o-ling set, and if you will give us a credit memo on the Turf Bowling order I will appreciate it.

Now, here is another thing. During our summer session just past when we used our Turf Bowling sets in the recreation program, we lost one of the "jack" balls. I am wondering if it is possible to replace this ball, to make the set complete. Will you please quote a price on this.

Very sincerely yours,
