

The COACH

A NEW SUPER MODEL U. S. VICTORY TRAINER RIFLE

A NEW SUPER MODEL has been added to our line of Victory Trainer Rifles now being used extensively by the Army, Navy and civilian training units including High School Victory Corps, Colleges, Military Academies, and similar organizations interested in military training. The SUPER MODEL is similar to the Deluxe model with new leather sling strap except with the addition of a complete trigger assembly which is cocked with the action of the bolt. The Super Model also has a regulation adjustable metal rear sight making it as near like the real U. S. Army Springfield rifle as possible without firing. The Super Model costs \$6.00 f.o.b. factory.

The DeLuxe Model with genuine metal bolt action, stock and barrel of walnut finish and weighing only 5½ pounds, is now equipped with new leather sling straps. No more of the salvage

Government issue straps are available. The DeLuxe Model costs \$4.25 f.o.b. factory.

The Standard Model with a stationary wooden bolt section and weighing only 4½ pounds is equipped with the new leather sling straps also. The stock and barrel is walnut stained. It costs \$3.25 f.o.b. factory.

American Legion Posts and State Guards in many states are providing voluntary instructions in basic free induction military drill in high schools scheduling military drill under the Victory Corps program. Instructors' schools for basic drill will be held for men 16 to 45 years old.

We are exclusive distributors of the Victory Trainer Rifles and will send a sample of any model for inspection promptly upon request.

VICTORY CORPS PHYSICAL FITNESS MANUAL

If your school does not already have a copy of the new Physical Fitness Manual Through Physical Education for the Victory Corps, prepared under the direction of the U. S. Office of Education for use in all High Schools and recently released for distribution, one or more copies may be secured by addressing requests to the Superintendent of Documents, Government Printing Office, Washington, D. C. Single copies cost 25c each and there is a discount of 25% on orders of 100 or more. Payment should be made with the order.

Not yet available is another manual now being prepared, Physical Fitness Through Health Education for the Victory Corps which will contain recommendations for the development of the health education aspect of the Victory Corps Program. Schools are asked not to write for the Health Education Manual until they receive notice that it is ready for distribution.

Victory Corps Caps and Insignia for all branches of the

High School program as listed in the December issue of the Coach, may be ordered from our nearest store.

A COMPLETE TRACK AND FIELD HANDBOOK

The 1943 issue of the A.A.U. Track and Field Handbook recently off the press is one of the most complete ever published. In addition to the general rules of the A.A.U. it consists of 171 pages of World Records, American Records, Olympic Records and Champions, all National A.A.U. Outdoor Track Champions since 1876 world's records awaiting acceptance, all National A.A.U. Men's Indoor and Women's Indoor-Outdoor Champions, complete summaries of all National A.A.U. Track Champions, Major Collegiate Championships, South American Championships, The All-American Track and Field Team as well as all Collegiate and all Scholastic Teams. Feature articles on Track by leading authorities as well as the Track and Field Rules are printed with the Athletic Almanac for the first time. Copies may be secured from our nearest store. The price is 50c.
