Kansas City, Mo.

Dear Karl:

I have taken up the matter with the Army authorities here and we will get the sizes from the personnel and send them to you in a day or so.

Regarding the shoe rationing, I took this up with the coordinator and he states that through his connection in Omaha they have taken the matter up in Washington and should have that in a very short while. They can see no reason for the delay.

I want to assure you I am using every pressure here to facilitate the shipment of these shoes at the earliest possible moment.

Thank you for your cooperation.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
