Dear Mr. Freeberg,

Two days ago Doctor Allen ordered two pairs of ice skates and shoes from your firm for Chancellor Malott. Both pairs of shoes were size 7. Today, Chancellor Malott called and asked that I write and ask that one pair be exchanged for a size 8 - in as wide a shoe as possible.

Doctor Allen is in Dodge City, so I am writing this letter. Mr. Malott is mailing you the pair of skates and shoes which he wishes exchanged, and we would appreciate it if you would send him the size 8 pair immediately.

Thank you very much.

Sincerely,

PMG/g

Secretary to Dr. Forrest C. Allen
