Mr. Les Freeberg,
Lowe & Campbell Athletic Goods Co.,
Kansas City, Mo.

Dear Les:

Recently we ordered from you, and received, three No. RFl Voit Rubber Footballs. We used one and found it to be a "junior" ball, very unsuitable for intramural play.

We are returning to you the two unused balls, and wish to exchange them for one No. FF10 Wilson "Sturdi-Sphere" Football, official size and shape.

If there is any difference in the exchange price we shall be glad to send through our order to your satisfaction.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
