

January 18, 1939.

Mr. Paul Fairhurst,
Order Supervisor,
Lowe & Campbell Athletic Goods Co.,
Kansas City, Missouri.

Dear Paul:

Mr. Falkenstien has turned over to this office your letter of the 16th instant regarding the soccer and volley balls which were sent in to your firm for repair.

The volley ball which you received last Saturday was sent in for repair, and I am enclosing a big sheet on this item. Will you kindly return it to this office at once so that the order may go through for the repair of this ball?

The order which has gone through for the repair on the soccer ball is all right, and you may proceed with the work on this ball.

I trust this will explain the situation to you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
