case. They asked us for our recommendation, but it is the local board that makes the decision.

Bob Allen is studying medicine, but all medical students are in the Class Al listing. There are just some of those things that we can do little about, Jack, and I am leaving it to the board and the breaks of the game to determine Bob Allen's future.

Fred Ellsworth told me that Bob is here, so I take it that you did the very best thing to keep Bob in school until he knows the final disposition of the matter. The school authorities are making certain arrangements for a partial refund of the money or an extention of credit should any students be called before the semester is over. Our deferment committee is expecting to appeal to the respective boards if there is a likelihood of a student being called before his semester is finished.

Regretting that I could not be more prompt, and with best wishes to you and Mrs. Bond, I am
