Mr. Paul Fairhurst,  
Order Supervisor,  
Lowe & Campbell Athletic Goods Co.,  
Kansas City, Missouri.

Dear Paul:

I have your letter of the 17th instant regarding our order for basketball shoes. We will not be able to use any sizes other than those we ordered, but if you can substitute the black shoes for the white, or vice versa, that will be all right. It does not matter about the color.

Cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
