Mr. Sidney S. Linscott, Jr.,  
c/o K. U. R.O.T.C. Unit,  
Fort Leavenworth, Kansas.

Dear Sidney:

I am sending you a copy of the letter that I wrote  
Lowe and Campbell regarding your knee brace. You can see  
from the date of my letter that the order has been in  
some little time.

I would suggest that you write them, using the copy  
of my letter as your handy reference. I am very sure  
that it will arrive very soon, if it has not already ar-  
rived at your location.

Trusting that you have a very pleasant as well as  
profitable summer, and that you receive the brace soon,  
I am

Fraternally yours,
