Dear Phog,

Just a brief note  
between drills.

My kneeguards  
hasn't arrived yet,  
and I thought that I  
would inquire of you the  
address of the maker of  
it.

Since we begin  
firing on the range  
next week (a job that  
is hard on knees and  
elbows, as well as  
shoulders) I would  
like to get it as soon  
as possible.
