Dear Doctor:

As Mr. Campbell is in Chicago, I am acknowledging your letter of the twenty-seventh which evidently was delayed in mailing as it was not received until today.

At any rate the order for the shoes was received and shipment has already gone out - thanks a lot for this business.

I think the basket ball film is a knockout - in all sincerity I can say, too, that your part of it overshadows that of the other coaches.

Very cordially yours,
