Dear Karl:

In your letter of November 11th you stated in the last paragraph, "We do not have any basketballs in our line any more with your name and haven't had for some time, so of course there is no royalty due on this item."

If my memory serves me correctly, I gave Frank Mandeville an order for two dozen Fhog Allen basketballs, one dozen of which we are using now, and the other dozen which will be shipped soon. I am wondering if you are acquainted with this shipment and where you got these balls you shipped, and where you are to get the last dozen that you are to ship.

Very cordially yours,
