Dear Sirs:

Under separate cover we are sending two  
badminton rackets to be restrung.

We are planning to use these rackets in  
a game next Monday night, December 13, and would greatly  
appreciate it if they could be returned to us in time for  
that game. Please address them to the Department of  
Physical Education, room 105 Robinson Gymnasium, University  
of Kansas.

Sincerely yours,

Director of Physical Education.
