Mr. George C. Lowe,  
President, Lowe & Campbell Athletic Goods Co.,  
15th and Baltimore Avenue,  
Kansas City, Missouri.

Dear George:

Frank Mandeville has just stopped by to say hello, and incidentally to say that he sells a very good grade of athletic goods! He tells me that you have just returned from Florida and that you are looking tip-top.

Mrs. Allen, our daughter Eleanor, and I were down to St. Petersburg and Tampa, Florida, the week prior to our national meeting of the Health and Physical Education Association at Atlanta, Georgia, in April. Florida is a fine country to bask and sun-shine in.

I want you to know that I am very happy in the fine progress you have made, and some time soon when you are feeling a little huskier, and it is more convenient for me to be away from my work, I will drop in to say hello to you.

With every good wish for your continued improvement,  
I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
