Professor F. C. Allen  
Department of Physical Education  
105 Robinson Gymnasium

Dear Professor Allen:

Will you kindly have your secretary check to see whether the following book checked out by Mr. Jim Raport is still in your department:

796.86 Vince, Joseph

V74 Fundamentals of foil fencing.

Since it is needed for circulation, we should appreciate having the book returned to the circulation desk.

Very truly yours,
