Mr. T. P. Bowen, Manager,
Tiger Hotel,
Columbia, Missouri.

Dear Mr. Bowen:

I am sending through the mail two of your hotel keys which the boys brought in to me. I had asked all of the boys to be sure to leave their keys before we left. I have no way of checking up to find out if any more of them were carried off, but if you are missing any let me know and I will ask the boys to return them. The keys I am sending you are #204 and #300.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
