

November 14, 1940

Mr. Wilbur Reese
President, Country Club
Kansas Electric Power Co.
Lawrence, Kansas

Dear President Reese:

I am giving you the personnel of our Tournament Committee for the Country Club. I wrote Messrs. Cliff Carl, Glenn Charlton and Earl Farris some two weeks ago. The only reply I have had was from Cliff Carl who stated he was ill and hoped he would feel well enough to serve on the Committee.

I am taking it for granted that both Farris and Charlton will serve and I am going ahead with my assumption and giving you the personnel of our Committee.

We will meet sometime in the near future to arrange for an active and versatile tournament of the Country Club next year.

Assuring you of my hearty cooperation in making your administration a highly successful one, I am,

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
