Dear "Phog"

As you no doubt remember, Friday evening, January 17 was set aside for a meeting at the club for the purpose of making initial plans for the Kansas State Golf Tournament which is to be held here some time in June. Dinner is to be at 7 P.M.

We have extended invitations to Dr. Lattimore of Topeka, also Bill Powell and Speed Swift of Kansas City who no doubt will have many excellent ideas for us. Your dinner has been reserved. If it is not all possible for you to be there please notify Mrs. Pontius or myself.

Very truly yours

Geo. T. Wetzel, Secy.
