Mr. Wilbur Reese  
Secretary, Country Club  
Kansas Electric Power Co.  
Lawrence, Kansas

Dear Pres. Reese:

I am enclosing a copy of a letter I have written to George Wetzel regarding my inability to attend the Board Meeting on Wednesday, April 9.

I am sorry to flunk out on you, but these requests come in to me by phone and letter and I accept or reject them at that time. Then when a meeting comes up I am already scheduled for something. I have had so many lettuce leaf and chicken pie supper requests that they are beginning to pile up on me.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
