

September 10, 1941.

Mr. F. W. Lang,
512 State Office Bldg.,
Atlanta, Georgia.

Dear Mr. Lang:

Did you send an arch normalizer to John Trembly? I haven't heard from Trembly and I want to know if you sent it and if he sent it back to you.

I wish you would send an arch normalizer on thirty days' trial to Mr. Harry W. Mons, Hill-Clarke Machinery Company, 649 Washington Blvd., Chicago, Illinois. Mr. Mons' son married my daughter last Saturday evening here in Lawrence. The groom's parents came to Lawrence for the wedding and while here last Sunday I demonstrated the arch normalizer to Mr. Mons. He is very anxious to have you send him one on thirty days' trial.

Mr. McFarland, the druggist at Topeka, I am told by his daughter Jean who is the fiancée of my son, has sold a number of the arch normalizers besides the first shipment that you sent him. I am wondering if this is true, and how many he has sold.

I will be happy to hear from you.

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
