

January 8, 1942.

Mr. F. W. Lang,
State Office Building,
Atlanta, Georgia.

Dear Mr. Lang:

Thank you for your note of the 5th instant
enclosing check for the normalizer purchased by Dr.
W. W. Parker.

I do not know John Kelly, Director of U. S.
Physical Fitness Department. I'll see what I can find
out about him.

Glad you had a pleasant vacation in Miami
and that you are feeling fine again.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
