Dear Dr. Allen:

Enclose check for Van K. Bruner. His just recd.  
He was a little late.

When you get back home you might write me the  
name and address of the Neitche woman as I  
will send her some data on the N. and might  
sell her. That is the one whose apt. house you  
lived at.

Have heard from only two coaches from Texas so  
far but guess I will be hearing from more as  
time goes on.

Leaving tomorrow for Cleveland. Write me when  
you care to at the same old address and it will  
be forwarded to me.

Kindest regards

*W. Lang*
