Dear Dr. Allen:

Your letter was just forwarded to me in New York City, My address here is 333 East 68th St. I will be here for about two weeks.

I just received a trial order from Baker University thanks to you.

It is time for Ed Shinn of Cureo High School to pay off so I sent him a bill.

I exhibited at the Am. Congress of Physical Therapy in Cleveland and am astonished at the reception the doctors there gave my machine.

I ~~id~~ did very well at the Am. Dental Convention. Every dentist has trouble with his feet.

I am grateful to you for your kind interest in my machine.

Kindest regards.

Sincerely yours,

Frederick W. Lang
