

March 28, 1940.

Mr. F. W. Lang,  
Forsyth, Georgia.

Dear Mr. Lang:

The Normalizer which you so kindly sent us last fall has done wonders for my mother's knee. She used it consistently and each week she would be bothered less and less with the pain that had troubled her for so long. During the past month or six weeks I haven't heard her utter a complaint about her knee. We are deeply grateful to you for making it possible for her to have this relief.

Sincerely yours,

Secretary to Dr. F. C. Allen.
