Mr. F. W. Lang,
Forsyth, Georgia.

Dear Mr. Lang:

I don't want this arch normalizer given to these young ladies, but I don't know whether they are able to pay for it. However, I would like for you to send them one, and if it does prove satisfactory I am sure they will find some way to buy it. If not, we can pick it up and sell it some time.

Sincerely yours,

FCA:AH
