Mr. John Buescher
~~501 W. 7th Street~~ 1240 *Jenn.*
Lawrence, Kansas

Dear John:

I am getting terribly put out about your cutting classes.

Mr. Raport tells me you missed the last two quizzes.

Now once and for all, John, I am getting tired of it. There is no excuse, and the reason you have not been appearing in the regular line-up more often is on account of your delinquency.

When are you going to grow up?

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
