Dear Dr. Allen:

Enclose check from Dean Swarthout acct just paid. Am sending Earl Chapman a bill now as he has had the N. for over a month. Am sending you a N. this day for your Secretarys mothers use. I hope that it does her a lot of good. Tell her to observe a good diet, exercise moderately if she can, and to be sure to have her teeth, tonsils and intestins checked. To drink lots of water and lemonade with very little sugar added.

Made a sale to an Exucitive member of the Atlanta Red Cross and sent her one gratis for the use of the Red Cross members. They like it and use it she told me yesterday. Might get otherysales thru this.

Will write the letters as per your suggestion. How about your ploice department in Lawrence and Kansas City. They would be fine for the men on the force.
