

Enclose my check for Earl Chapman and H. H. Stephenson.

Stephenson says that his knee trouble is better.

Should any of these machines get out of kilter I will be only too pleased to give them new ones. I have plenty.

Dear Dr. Allen:

Do you happen to know a Dr. Martin T. Myers, an Orthopedic Surgeon, of Atlanta, Ga. Somehow I have a hazy idea that he was a former basketball player of some note. Where he went to college I do not know. If he was any good at basketball you would probably know him.

I just received two fine letters of testimonials from two dentists in Miami and order for another dentist in Jacksonville thru them. Don't forget the Nurses.

Glenn and Lamb orders have gone forward. Fine work. Regards.
