TAX & ESTATE COUNSELLOR
214 GRANT BUILDING
ATLANTA 3, GEORGIA

Dear Dr. Allen:

Yours re Mrs Glenn Charlton just received.
I have written to her that on account of the War
we do not send any more machines out on a thirty
day free trial but would be pleased to receive
her order also sent her some advertising. This
will pave the way to get an immediate payment.

Am trying to get some aluminum to make some more
machines as I am running low.

This thing has some post war possibilities.

Kindest regards

Sincerely yours,

F. W. Lang
