Mr. John F. Lance,  
Coach of Basketball  
Kansas State Teacher's College  
Pittsburg, Kansas

Dear John:

It was mighty nice of you to write me regarding William Hayden Hubbard and Dale Morrow. I appreciate this very much.

I have not had an opportunity to visit with either of these boys, but a group of us did speak to them the first day they arrived for assembly. It was in the evening at Fraser Hall and I did not get to shake hands with them. I will though in the very near future.

Again I thank you and wish in a pleasantly reciprocal manner a fine summer for you and a successful season coming up.

Yours sincerely,

Director of Physical Education  
Varsity Basketball Coach
