Dear Dr. Allen:

I received your very kind letter, and was very happy to be of help to you.

I received a lovely letter from Miss Falconer last night, and I wrote and asked her to loan you the sketch of R.P. for the "Rebounds"; and I feel sure she will be only too happy to do it.

She said she was planning to visit R.P.'s family in Texas, so you may not hear from her right away.

I am looking forward to my copy of the Rebounds, because I enjoyed reading the copies R.P. received -

We would always discuss the fellows we knew and what they were doing -

I can't tell you how much I miss R.P. - He was a wonderful guy, and we have all suffered a great loss.

I will certainly accept your kind offer to be your guest when I visit Lawrence -

I have been released from the hospital, and I expect to be on my way to the states within the next month.

Hoping to see you in the very near future, I remain,

Sincerely yours,
Charles Loar
