Mr. Chet Lemon,  
Iola High School,  
Iola, Kansas.

Dear Coach Lemon:

I have made it a rule to keep my Sunday's as free as possible, and I would much prefer to see the Lacy boy on any weekday or Saturday. For years I did it on Sundays and found that I had no time whatsoever, so I have made it a rule not make these examinations on that day.

If you will let me know what day during the week you can bring the boy to Lawrence I will be glad to see him and render what service I can.

Sincerely yours,
