Dear Mr. Allen:

Inclosed you will find three different types of inscriptions on the basketball pin. I imagine you will have a better idea as to the most suitable inscription - but these will give you an idea of the spacing etc. You can plan your inscription from these samples.

Thanks for your interest and I do hope you decide to use the pin next year.

Sincerely
Mrs Geo D. Lewis

P.S. of course these same inscriptions are adaptable to the football pin too. I will send samples of these if you wish them -
